Universal Learner™ Courses

Overview

Through ASU Universal Learner Courses, learners are offered a risk-free option to explore the college experience and take foundational courses by enrolling in freshman-level classes offered at ASU. Learners have access to rigorous, engaging college curriculum designed by ASU faculty and are given the opportunity to get a jump start on college or continue on their degree pathway.

Benefits

No risk:
- Purchase the credit and add the course to your transcript ONLY when you are satisfied with your grade.

Low cost:
- $25 enrollment fee per course
- $400 to add the course to your transcript upon completion

College credit:
- Earn identical academic credit. Same courses, same ASU faculty, same credit.
- Use the credit at ASU or another university.

Get started today:
- No application required. Start making progress towards your degree immediately.

How it Works

1. Register at ea.asu.edu
2. Select courses and enroll for $25 per course
3. Complete the course with a “C” or better and pay the $400 fee if you would like to receive academic credit. If you do not pass or chose not to transcript the course, no payment is collected.
4. Request an official transcript which can be applied towards a degree at ASU or another university.

Courses include:
- First-year Composition requirements
- Math courses
- Science courses
- Social Sciences/Humanities
- Courses to prepare for Engineering and Business BA degree programs
- Courses to complete ABDA or Google IT Certificates
